

TRANSATLANTIC PETROLEUM CORP.

Health, Safety and Environmental Protection Policy

It is the policy of TransAtlantic Petroleum Corp. to manage our operations in compliance with local environmental, health and safety rules and to provide a safe work environment for our employees, customers and contractors. To accomplish this, we will strive to:

- Advise our employees of local environmental, health and safety rules and hold them accountable for performance;
- Design and manage our operations in compliance with local environmental rules and provide our employees with a workplace free of recognized hazards;
- Comply with local laws and regulations governing safety, health and environmental protection; and
- Provide professional staff, if necessary, to support safety, health and environmental compliance.
